

Data-Sharing Workshop

Session 2 Locations

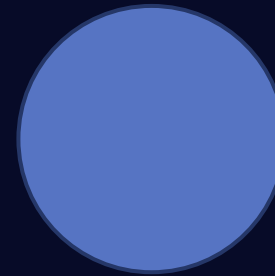

Your Session 2 room is different than Session 1. Review the sticker on your badge and then go to the designated room:

Walnut Room

West End Room

East End Room

Exercise 3: Return to Reality

Readout ideas from previous group (10 minutes)

- Goal – learn what data the previous group needs and what they would need to trust that data.

Exercise 3: Return to Reality

Identify obstacles for each idea proposed by the previous group (10 minutes)

- Work with your tables
- Write your ideas down

Exercise 3: Return to Reality

Brainstorm solutions for each obstacle identified by your table (10 minutes)

- Work with your tables
- Write your solutions down

Exercise 3: Return to Reality

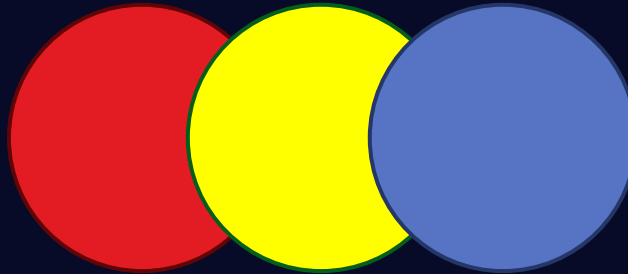

Room readout (10 minutes)

- Goal – surface solutions and themes from the room.
- Each table to provide a readout to the room.

Data-Sharing Workshop

Time for Consensus

The workshop will continue with a combined audience, and all attendees should proceed to the Plenary Room.

Plenary Room

Exercise 4: Building Consensus

Representative from each room will read out (15 minutes total):

- Data need provided
- Obstacles identified
- Solutions developed

Audience Q & A (15 minutes)
